

Dear examiner,

In responding to the office communication mailed on 10/14/2008 and to the office action and phone interview regarding my application # 10578673,

**Remarks**

- Regarding item # 3 (specification), I would like to offer any needed cooperation to correct any errors or spelling mistakes in my application.
- Regarding Item # 4 (Claim Objections)
  - a. The phrase "IV" was replaced with the phrase "Intra Venous".
  - b. Dependencies of all claims dependent from a multiple dependent claim have been amended so as to be in the proper formal format.
- Regarding Item # 5, the phrase "affordable value" has been removed.
- Regarding Items # 6 & 7,  
I'd like to introduce the amended claims as enclosed with this action
- Please refer to the **Details** section in my application (on page 8) for any explanation needed.

Finally, I am thankful for your help through all this process.
